

ANOKA COUNTY SHERIFF'S OFFICE SHERIFF JAMES STUART

FRIDAY UPDATE: 06.09.17-06.16.17

Summer is here - which we are grateful for – however, with nice weather comes an increase in vandalism and incidents of vehicles being rummaged through. Vandalism is a little harder to prevent, and often the victim is targeted by the suspect, but you can reduce the likelihood of becoming a victim by light up your property and not just the driveway! Landscape lighting, motion activated lights out back, and extra fixtures around all entrances will help. Also, if you have dogs and hear them barking during overnight hours – look outside, turn on an inside light – anything to scare away someone on your property. And as always, report suspicious activity to 911 immediately.

As for vehicles being rummaged through – remove or hide valuables and lock your doors. Thieves who are just rummaging and taking random articles are not going to break a window to gain access. They will just move on to the next vehicle if yours is locked. Also, leaving outside lights on is a good deterrent too!
