WEBCO Security, Inc. Moves into Grand Design Interior Marketplace

Ramsey, Minnesota – April 1, 2009. WEBCO Security, Inc. has relocated its headquarters within Grand Design Interior Marketplace – Ramsey location at 14015 Sunfish Lake Blvd. NW, Suite 100, Ramsey, MN 55303. Chris Thompson is President of WEBCO. She says, “Facilitating operations within the Design Center enables our staff to provide personal attention to walk-in customers; It eases the option selection process with hands on opportunities for our builder partners’ homeowner clients in a one-stop location.” Further, she added, “The move provides new business opportunities through networking among the other trade representatives within the facilities.” Optimistically she said, “The move meets our business model for expedited growth as the housing market begins its recovery and the facilities additional warehouse space will be convenient in our growth.”

Kim Hesser, Sales Manager and Design Consultant for Grand Design Interior Marketplace is well versed in the sales and installation of home design products including specialty flooring, carpet, ceramic tile, hardwood, countertops, stone, lighting, kitchen appliances, fireplaces and more!

“I suggested the move to WEBCO when additional office space became available. We believe there are significant benefits to having WEBCO’s team readily available for customers. We’ve got our eye toward the bigger picture and feel confident in the co-facilitating of option selection meetings in one convenient location for our builders and walk-in clients.”

The owners and employees at Grand Design have been in the design and flooring industry for over 20 years. “We take pride in the quality of our craft and in total customer satisfaction.” Kim added.
